**Using the ingenious convEGGtor Basket, it is easy to place your convEGGtor in your Big Green Egg or to remove it. You can cook on it directly or indirectly at several levels.**

- Easy placement or removal of convEGGtor
- Multi-level direct and indirect cooking
  - Raised grid cooking
- Designed to use with the Stainless Steel Grid and Cast Iron Grid

## MULTI-ZONE (DIRECT AND INDIRECT) COOKING

Make it possible to cook directly and indirectly at the same time by combining the convEGGtor Basket with the range of Half Grid accessories.

The convEGGtor Basket holds the Carbon Steel Grill Wok for the best wok-dishes, suitable for the Big Green Egg XLarge and Big Green Egg Large. And is also part of the EGGspander system for the Big Green Egg XLarge and Big Green Egg Large.
